

Jumpstart AFRICA

Moving Africa Forward By Empowering its Talents

How are Jumpstart Africa Operations Organized and Priced?

Driven by our mission to move Africa forward by empowering its talents, our operations are centered on gathering African talents in a selective membership network. Then we want to engage our members in our yearly startup competition known as ASC Week (African Startup Competition Week). Finally, we regroup and connect the best elites and successful young African entrepreneurs to the elites and successful African business executives.

WINNERS benefits of the ASC Week

- Funding for the startup
- Distinguished Mentors
- Foster competitive mindset
- FREE exposure for your startup
- Strategic connections
- Accomplished professional support
- Professional feedback (given to all ASC Week participants)

Benefits of the A+ Club

- Decision Makers' leads generation
- Strategic & quality business referrals
- Business partnerships
- IMPACT and exposure through the Startup Studio

What is Startup Studio

Startup Studio is an online Q&A meeting where selected members of the A+ Club get to share stories, conduct virtual classes, or give practical advice that would help startups move forward.
